RE: Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures

Sir:

This is in response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures dated April 9, 1991 and for which a response is due May 9, 1991.

On April 22, 1991 the Applicants' Attorney, Paul G. Lunn, spoke by telephone to Meredith Charak at the Biotechnology Systems' Division. Upon further examination of the Sequence Information originally submitted, Ms. Charak stated that the computer readable form does comply with the requirements of 37 CFR §1.824.

Applicants' Attorney requests written confirmation of this from the Application Process Division.

Please also note the Attorney of Record for this case is the undersigned attorney and that all future correspondence should be addressed to said attorney at the address as stated below.

Best regards,

A handwritten signature in cursive script, appearing to read "Paul G. Lunn".
